We bought our school supplies.
bought
brought

She brought an extra sweater.
brought
thought

He thought of the answer.
thought
They will **learn** about science.
learn
We heard the fire siren.
heard
It's a long way around the earth.
earth
Please get here early.
early
That group has five people.
group
A bug flew through the window.
through
She’s been here since eight o’clock.
since
She will choose either blue or green.
either
neither

He doesn’t walk to school, and neither does his sister.
neither
The heart pumps blood through the body.
heart
enough

There is enough for everybody.
enough
