He thought of the answer.
thought
They will learn about science.
learn
We heard the fire siren.
heard
earth

It’s a long way around the earth.
earth
Please get here early.
early
That group has five people.

since

She’s been here since eight o’clock.
since
either

She will choose **either** blue or green.
either
He doesn’t walk to school, and neither does his sister.
neither
The heart pumps blood through the body.
heart
There is enough for everybody.
